

Individuals & Families Giving Per Week

2026 Goal \$299,832

Each box represents a weekly commitment by an individual/family. If you give monthly or yearly just multiple/divide accordingly.

There is a giving level that works for everyone. Some will be able to give a lot and some will be able to give a little. Together, we can meet the needs of God's church here at Sanctuary.

A great way to have a conversation with kids and young adults about your values around generosity and giving is to encourage them to make their own commitment by filling out the response form independently. Giving a dollar a week to a place they care about might seem insignificant when looking at this chart, but if 26 kids give \$1 a week for a year, that's nearly \$1,400 to support Sanctuary's ministry. More importantly, it plants the seeds of intentional generosity for later in life.
